• DRY SHERRIES •

Sherry is regarded by wine experts as one of the greatest wine styles of all. We think it's the ultimate food matching style of wine, being able to match some dishes that regular wine simply can't. It's also a brilliant palate cleanser, preparing you for the meal ahead, and extremely versatile, being able to match a wide range of dishes, so ideal of course with tapas.

Easy rule of thumb: If it swims, drink Fino; if it flies, drink Amontillado; if it walks or runs, drink Oloroso. Enjoy!
